To Our Valued Customers,

Renys Department Stores has been committed to giving our customers the best value for nearly 60 years and we continue trying to achieve that goal every day. If you are viewing this information on line, we thank you for visiting our website. If not, we'd like to invite you to visit us at [www.renys.com](http://www.renys.com) to learn more about Renys.

Over the last year, we have been revising our company website so that our customers can learn more about what Renys is doing for you. We're now encouraging our loyal customers to become a "**Renys Maine Adventurer**", a new program that allows participants to receive regular emails updating you on things like:

- **Just In merchandise!** (New items that have just arrived in our stores, sometimes in limited quantities, so it pays to get a "heads up").
- **Weekly specials!** (Get the "insider's scoop" on special items, sales and prices)
- Viewing **Flyers** and **Weekly Ads** on line!
- Special events like **Early Bird, Tent Sale, Strawberry Festival** and more...
- **Renovations, upgrades and expansions** occurring in our stores!
- Purchasing **Renys Gift Cards** on line, now in \$25, \$50 and \$100 denominations!

We invite you to sign up now for our email feature and **be the first to know** everything that's going on for you at Renys! Your email address is for our information and use only. We do not share this information with anyone and we usually will send you just one email per week.

We sincerely hope that you find our updated website interesting and informative and as always, we thank you for shopping Renys!

John and Bob Reny
